In FY2023, EDA awarded **\$1,600,000 in Public Works funds to the Tunica-Biloxi Tribe of Louisiana** to support the construction of a multi-enterprise manufacturing facility that will support the growth of the region's manufacturing sector in Avoyelles County, Louisiana. The project will support the design and construction of the Garan Building, an existing commercial site located in the city of Marksville, which will help foster business expansion to provide future revenue for the community.

"The EDA demonstrates how the federal government and states working together can transform communities."
Louisiana Former Governor John Bel Edwards
